

Property Crimes 2016

Elbert County Sheriff's Office

Crimes Against Property

The offender’s intent is to obtain money, property, or some other benefit, e.g. robbery, bribery, burglary. One offense is counted for each distinct OPERATION (each incident/case) except motor vehicle theft, where one offense is counted for each vehicle stolen.

Data is current through the last full month, plus a 30-day data-entry lag. For example, April data is available beginning June 1. For this reason, the current year may not contain a full 12 months of data, and the counts should not be compared to previous years.
