

# Violent Crime 2023

## Denver Police Department

Violent Crime consists of murder, non-consensual sex offenses and aggravated assault. Victims are always individuals. One offense is counted for each victim.

Data is current through the last full month, plus a 30-day data-entry lag. For example, April data is available beginning June 1. For this reason, the current year may not contain a full 12 months of data, and the counts should not be compared to previous years.
